Venue Access Sheet

KEY

-  - main church door
-  -main crypt door
-  -loading bay
-  -tradesman door

The Main Church

- For bringing large bits of equipment / decorations into the main church, there is a **loading bay** on **St. Michaels Hill**, this is opposite **The Open Arms** pub. When going up the loading bay, follow the path to your right (**Upper Church Ln**) which will lead you to the main church doors. There is also a side door which can be opened (this is good for catering especially).
- There are multiple routes you can take to our venue, if coming from the **city centre**, you can go up the **Christmas Steps** which will lead you past **Perry Road** and onto **Lower Church Lane** from here you will need to go up some steps which will lead you straight to our gardens / crypt, to reach the main church, continue to follow the building round to the left where you will be welcomed by our main church doors.
- If coming from **Park Row**, turn left up **Old Park Hill** which will lead you to **Upper Church Lane**. Here you will see the university car park and a path which will lead you directly to our venue.

The Crypt

- For bringing large bits of equipment / decorations into the main church, there is a **loading bay** on **St. Michaels Hill**, this is opposite **The Open Arms** pub. When going up the loading bay, follow the path going straight down along St Michaels Hill - this will lead you to the tradesman door on the side of the building. If you follow this path you can also find a gate which will lead you to our gardens, this has a ramp which will lead you to the main crypt doors
